Request: I kindly request a copy of all responses to Freedom of Information (FOI) requests you have received for both the Drug Patient Level Contract Monitoring (DrPLCM) report and SACT Cancer report over the last 12 months. Could the report responses please be in csv format.

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide Drug Patient Level Contract Monitoring (DrPLCM) reports and SACT Cancer reports. The Trust is therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
