Request: Under the Freedom of Information Act, I would like to request the information of the registered Allied Health Professionals working in the NHS trust from the years 2018 to 2024 (each year wise). Please find the enclosed excel file and image for the question template. I would like you to provide the information in the Microsoft Excel format.

Answer: The Trust has reviewed question your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not employ Operating Department Practitioners or Prosthetists. The Trust is therefore unable to provide a response for these roles.

Furthermore, please note that Paramedics and Radiographers were only employed by the Trust from 2021.

Section 40 for the FOI Act also states:

(2) This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the UK GDPR.

Some of the information you have requested related to less than five individuals and has the potential for individuals to be identified. The Trust is therefore unable to provide this particular information in detail.

Please see Appendix 1 attached for information as requested.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
