

Interested in Fully-Funded Pre-doctoral or PhD Research Training?

City St George's, University of London will be holding a webinar to share how we can support you to take advantage of fully salaried opportunities including from the **National Institute of Health Research (NIHR)** and **HARP**

*The NIHR/HARP is calling health and social care practitioners aspiring to become clinician-researchers to apply for **Pre-doctoral and Doctoral fellowships***

NIHR/HARP Funded fellowships offer:

- Full funding to cover salary, training and development costs
- Work with expert supervisors from City St George's
- Get involved with our Research Centres and activities
- Undertake bespoke research degree/modules/training
- For Pre-doctoral - Develop a PhD research proposal and pursue the health/social care research career pathway
- For PhD – Undertake your own PhD full or part-time

For more information and for inspirations from current Fellows, come to our **webinar on Tuesday 19th November 2024 2-3pm**
Teams link: **Join the meeting now**

Speakers: *Prof. Jacqueline Sin, Dr Kirsten Barnicot, Kirsten Prest, Bijal Tailor, and David Nicklin*
