Question 1: Please can you provide with the name, job role, telephone number and email address for the individual within your ICB who is responsible for commissioning eating disorder treatment services, both in the community and within inpatient settings?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*
