Request:

Question 1: In the financial years 22/23, 23/24 and 24/25, how many surgeries and operations were cancelled in your trust? Please provide a breakdown by financial year.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not perform surgeries or operations. The Trust is therefore unable to provide a response.

Question 2: In the financial years 22/23, 23/24 and 24/25, how many of these cancellations were owing to problems relating to faults in equipment and infrastructure? Specifically, we are looking at the following reasons for cancellation: Equipment being unavailable due to damage, the operating room was deemed unsuitable (due to factors such as temperature, mould or concerns about its structural integrity e.g. RAAC). Please provide a breakdown by year and by reason for cancellation (Equipment, Infrastructure concerns and other).
