28 January 2025

Our reference: FOI DA5844

I am responding to your request for information received 24 January 2025. This has been treated as a request under the Freedom of Information Act 2000.

I am now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact me on the contact details above if you have any further queries.

Yours sincerely,

Information Rights Coordinator

If you are dissatisfied with the Trust's response to your FOIA request then you should contact us and we will arrange for an internal review of this decision.

If you remain dissatisfied with the decision following our response to your complaint, you may write to the Information Commissioner for a decision under Section 50 of the Freedom of Information Act 2000. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

Tel: 0303 123 1113
Web: www.ico.org.uk

Please note that the data supplied is not allowed to be re-used and/or published without the explicit consent of East London NHS Foundation Trust. Please contact the signatory to request permission if this is your intention

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive Officer: Lorraine Sunduza
Chair: Eileen Taylor

Request:

Question 1: In the months of September, October, November and December 2023, how many patients were admitted to hospital following complications or side effects of Semaglutide (Wegovy), Ozempic or Mounjaro? (Weight loss jabs)

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide treatment services for health complications arising from weight loss drugs. The Trust is therefore unable to provide a response.

Question 2: In each month of the calendar year 2024, how many patients were admitted to hospital following complications or side effects of Semaglutide (Wegovy), Ozempic or Mounjaro?

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide treatment services for health complications arising from weight loss drugs. The Trust is therefore unable to provide a response.

Question 3: What are the three most common side effects of weight loss jabs reported by patients who've been admitted to hospital after using them? Please provide a percentage of each, if available.

Answer: The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide treatment services for health complications arising from weight loss drugs. The Trust is therefore unable to provide a response.

We promise to work together creatively to: learn
