Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record the total cost as requested nor do we record the split between 'adult' and 'children' services. The Trust is therefore unable to provide a response.

However in order to advise and assist, the Trust can provide the total direct spend in the budget for most of these services. Please see table below:

| Service | Total direct spend in the budget in financial year 2023/24 (£) |
|--|--|
| Learning Disability Services | 3,024,280.73 |
| Autism Services | 1,056,469.77 |
| Eating Disorder Services | 1,418,211.89 |
| Early Intervention in Psychosis Services | 6,555,586.18 |
| ADHD Services | 307,115.60 |
| Anxiety and Depression Services | The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000. Section 1(1) of the Freedom of Information Act 2000 states: <i>Any person making a request for information to a public authority is entitled—</i> |
