Request: Freedom of Information Data Request. Radiotherapy Equipment and Systems

I am currently conducting some personal research on Radiotherapy equipment installed at NHS Providers in England. In order to aid my research, I am requesting that you provide (in editable digital formats) the data requested per the Freedom of Information Act 2000.

Question 1: Linear accelerators. For each linear accelerator could you provide

- the hospital where the system is installed
- the make,
- model and
- date installed.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide radiotherapy services nor does it have any Linear accelerators installed. The Trust is therefore unable to provide a response.

Question 2: CT scanners in Radiotherapy. For CT scanner could you provide

- the hospital where the system is installed
- the make,
- model and
- date installed.

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.
