Request: I would be grateful if you could provide the following:

Question 1: The general contact email addresses and telephone numbers for the adult discharge departments within your NHS Trust.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not have a general adult discharge department as requested and is therefore unable to provide a response.

The Consultant Psychiatrist is ultimately responsible for the decision to discharge any given service user from an in-patient service.

Please see here the list of services within the Trust:

<https://www.elft.nhs.uk/service-search?page=0>

Question 2: Any publicly available information about the best point of contact for discharge coordination.

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 21(1) of the FOI Act states:

(1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information.

The information concerning discharge co-ordination is accessible here:
