

# OCCUPATIONAL THERAPY SCHOOL NOTICEBOARD

## UPDATES FOR HUB 1 APRIL 2025

### Announcements

#### Fun with Food

Well done to all schools who have already engaged in this training. If you're interested in having a Fun with Food group for Early Years, please contact us for more details. We'd love to offer more schools the opportunity to participate in this valuable training.

#### Get Set For Learning

A huge congrats to all the schools who have successfully started implementing the GSFL process. This initiative is a great step towards improving transition support for children, using sensory regulation strategies. If you are interested in this please contact us for more details.

#### EHCP OT Part F provision

Please get in touch with the local authority SEND team if you have a child who has OT provision in their EHCP which needs to be delivered.

### Bringing OT Into Schools

A huge thank you to all the schools, SENCOs, staff, and parents we've worked with this term! We've loved visiting you, delivering training sessions, and launching our new sensory videos—making training more accessible for all. Special thanks to schools like **Bobby Moore, Carpenters, JFK, Colegrave, RONEC, Gainsborough, Park Primary, Maryland, and Azhar Academy** for your warm welcomes and enthusiasm. From INSET days to parent coffee mornings, it's been a joy connecting with you all. **SENCOs**—you're amazing! We see and appreciate everything you do. Here's to continued collaboration and supporting every child to thrive. See you again soon!

### \*NEW\* Training Videos

Our videos on Sensory Processing and Messy Play are available. These resources will be fantastic for staff who are looking to enhance their understanding and skills in these key areas.

Please contact the hub line for the password to access the training.

### Hub Line Changes

This is now available on  
**Tuesdays and Thursdays**  
from 3:00 PM – 5:00 PM.

On the hub line you will be able to speak to a member of the OT team to discuss any **functional concerns** or potential referrals.

They will direct you to appropriate universal resources or signpost you onwards.

**Please note: this is not a direct referral line.**

For complex cases,  
please contact your Hub OT Team.
