Hub 2 Updates

## ANNOUNCEMENTS

### NEW TRAINING VIDEOS

Our videos on Sensory Processing and Messy Play will soon be available. These resources will be fantastic for staff who are looking to enhance their understanding and skills in these key areas.

Please contact the hub line for the **password** to access the training.

### HUB LINE CHANGES

This is now available on  
**Tuesdays and Thursdays**  
from 3:00 PM – 5:00 PM.

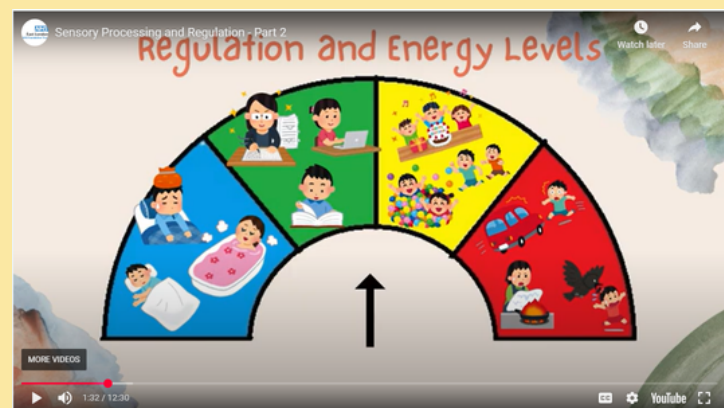

On the hub line you will be able to speak to a member of the OT team to discuss any **functional concerns** or potential referrals. They will direct you to appropriate universal resources or signpost you onwards.

**Please note: this is not a direct referral line.**

For complex cases,  
please contact your Hub OT Team.

### EHCP OT PART F PROVISION

Please get in touch with the **local authority SEND team** if you have a child who has OT provision in their EHCP which needs to be delivered.

## A BIG THANK YOU!!

A huge thanks to **Langdon Academy** and **Gallions** for hosting **KS1 Parent Coaching** Groups. These sessions have been a tremendous success!

If you know of any children who might benefit from this in the future please don't hesitate to speak to your HUB OTs for further details.

A special mention to the staff at **Roman Road** and **Gallions** for engaging enthusiastically in our **Fun with Food** training sessions. This collaboration has been fantastic and we are eager to continue working together, expanding the group and involving more schools in this important initiative!

# TRAINING OPPORTUNITIES

## FUN WITH FOOD

Well done to all schools who have already engaged in this training. The strategies provided in these groups are evidence based and can have some amazing results.

If you're interested in training to run a Fun with Food group for Early Years, please contact us for more details.

## GET SET FOR LEARNING

A huge congrats to all the schools who have successfully started implementing the GSFL process.

This initiative is a great step towards improving transition support for children, using sensory regulation strategies.

If you are interested in this please contact us for more details.
