Request:

Question 1: Has your Trust procured any pancreatic enzyme replacement therapy (PERT) products from overseas suppliers between January 2023 and present? Please respond with yes or no.

Answer: No.

The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide pancreatic therapy services and as such it has not procured any PERT products. The Trust is therefore unable to provide a response.

Question 2: If yes, please answer the following:
(a) Which countries were these products sourced from?
(b) How many 'special order' prescriptions for these products have been dispensed?
(c) What percentage of the local demand has been covered by these overseas products?

Answer: Not applicable.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive
