Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide treatment with Fibrinogen Concentrate, Prothrombin Complex Concentrate, DOAC Antidote, and blood products mentioned in your request. The Trust is therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
