Request: This is a freedom of information request under the Freedom of Information Act 2000. Please provide the following information you have pertaining to NHS insourcing within your Trust / Health Board.

Question 1: Do you use insourcing providers?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not use insourcing providers as requested and is therefore unable to provide a response.

Question 2: If yes to the previous question (use of insourcing providers) what is the total value of spend, listed by speciality and insourcing provider, used for Apr-24-Mar-25?

Note: if an insourcing provider covers multiple specialties, please list that provider multiple times (one row for each specialty)

Specialty (e.g. general surgery, ophthalmology etc)	Insourcing provider (fill empty rows with provider name, add rows if required)	Total spend (Apr-24-Mar-25)

Answer: Not applicable.

Question 3: Please list below contracts with insourcing providers in the current financial year Apr-25-Mar-26

Specialty (e.g. general surgery, ophthalmology etc)	Insourcing provider (fill empty rows with provider name, add rows if required)	Contract start date	Contract end date (please leave blank if not set)	Formal tender process conducted?	Procurement framework used for award (for example, NHS SBS)	Estimated contract value
