Request: I am writing to you under the Freedom of Information Act 2000 to request the following information from East London NHS Foundation Trust.

Please provide me with the following information:

Question 1: The number of recorded diagnoses of conditions related to damp and mould (specifically aspergillosis, hypersensitivity pneumonitis and allergic bronchopulmonary aspergillosis (ABPA)) between 1st January 2022 and 1st January 2025? Please provide figures for 2022, 2023 and 2024.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide diagnoses of conditions related to damp and mould as requested. The Trust is therefore unable to provide a response.

Question 2: The number of patients that were admitted for treatment for conditions relating to damp and mould (specifically aspergillosis, hypersensitivity pneumonitis and allergic bronchopulmonary aspergillosis (ABPA)) between 1st January 2022 and 1st January 2025? Please provide figures for 2022, 2023 and 2024.
