Request: We would ask for your NHS Trust to provide information on two aspects:

Question 1: Whether safety screening forms or checklists which are completed by patients prior to a diagnostic imaging examination are in paper form or in digital format (e.g. web-based or tablet)?

This includes but may not be limited to:

- Inclusive Pregnancy status (IPS) or last menstrual period (LMP) forms
- Magnetic resonance imaging (MRI) safety forms
- Contrast media administration (all modalities)
- Bone densitometry (DXA) patient questionnaire
- Any other examination-specific forms e.g. CT colonography or cardiac questionnaires.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide diagnostic imaging services. The Trust is therefore unable to provide a response.

Question 2: If any of these are completed in paper form, we would ask for a copy of the current version to be sent via email.

Answer: Not applicable.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
