Question 2.2: How much funding did your Trust / Health Board receive from any and all government related bodies* for the prosthetic and/or orthotic service over the financial years 2020 – 2025 inclusive, and how much of that funding was given to the orthotics and/or prosthetics service budget (for in-house services) or the orthotics and/or prosthetics service contractor (for contracted services)?

Please include the entire funding, including all pay and non-pay funding.
