Request: **Freedom of Information Request – Narcolepsy Services**
Please provide the following information regarding narcolepsy services provided or commissioned by your organisation:

Question 1: **Do you provide or commission narcolepsy services?**

- **If yes, please provide:**
- **The name and location of the service**
- **The current Referral to Treatment Time (RTT)**
- **The number of patients seen by the service during the most recent full financial year (to April 2025)**
- **The number of patients the service is contracted to see**
- **The key performance indicators (KPIs) or outcome measures are used to monitor the service. Additionally, how the services performed against the set KPIs (outcome measures) for the latest available period of time.**
- **Whether the service is commissioned through a block contract (Yes/No).**

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide or commission narcolepsy services. The Trust is therefore unable to provide a response.

Question 2: **If not, please specify: The organisation or provider to which patients with suspected or confirmed narcolepsy are referred to.**

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not refer patients with suspected or confirmed narcolepsy to another provider. The Trust is therefore unable to provide a response.
