Request: Under the FOI, please can I have the email work contact details of the Non-Exec Director leading on equality and diversity

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust does not have a non-executive director leading on equality and diversity as requested and is therefore unable to provide a response. Please note all staff are required to adhere to the equality and diversity policies.

Under S16 of the FOI Act we have a duty to provide advice and assistance. As such, given this relates to Equity and Diversity regarding recruitment for a role which reports to an Executive Director, the Trust is providing the contact details for the Interim Chief People Officer, Barbara Britner, who may be able to assist further with your concerns. Email: barbara.britner@nhs.net.

Furthermore, please note we have a separate email address for any equality and diversity related matters:
