Request: Under the Freedom of Information Act, I would like to request the following:

Please provide the most recent figures available (e.g. current financial year).

Question 1: The current hourly pay rates (or rate cards) for locum doctors at your Trust, broken down by grade (e.g. FY2/SHO, Specialty Doctor, Registrar, Consultant).

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not have a rate card for agency doctors and therefore does not record the hourly pay rates for Locum Doctors broken down by grade as requested. The Trust is therefore unable to provide a response.

Question 2: If available, please specify rates for Psychiatry and General/Acute Medicine separately.

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide General/Acute Medicine services.

The Trust does not record specific rates for Psychiatry speciality and is therefore unable to provide a response.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
