Request: I am contacting you with a request for information under the Freedom of Information Act 2000. My request relates to the number of A&E admissions at your NHS Trust, where ketamine has been recorded.

Question 1: In the last 5 years, how many A&E admissions have there been where 'ketamine' has been recorded (either in patient notes or free text field 'reason for visit'). Please provide the information for the following years:
A) 2025
B) 2024
C) 2023
D) 2022
C) 2021

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide A&E services. The Trust is therefore unable to provide a response.

Question 2: Please also provide age breakdown of these figures, including under 16s, for example: 0-5, 5-10, 11-16, 17-22, 23-30 etc
