The Trust has reviewed your request for vehicle registration information under the Freedom of Information Act (FOI) 2000.

Section 31(1)(a) of the FOI Act states:

31(1) Information which is not exempt information by virtue of section 30 is exempt information if its disclosure under this Act would, or would be likely to, prejudice

(a) the prevention or detection of crime,

The information requested, if released into the public domain, could pose a potential security risk and has the potential to make the Trust vulnerable to criminal activities. For this reason an exemption has been applied.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
