**Request:** From January 2025 to present, please provide data for the following:

**Question 1:** The number of hospital admissions/casualties involving e-bike crashes in which the rider was intoxicated.

**Answer:** The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide services for the treatment of e-bike crashes. The Trust is therefore unable to provide a response.

**Question 2:** The nature of the injury.  
**Please ensure the figures individual figures for each month.**
