Request:

Question 1: All 'Oxehealth Monthly Usage Reports' received between a period of Jan 2024 to October 2025.

Please note, your trust may refer to these reports under another name. For the avoidance of doubt, I am referring to documents sent to the trust on a monthly basis by Oxehealth detailing the usage of Oxevision across the wards and/or seclusion/i26 suites/rooms on which this is implemented.

Answer: Please see Appendix 1

Question 2: Any and all 'Salient Video Data Report' received from Oxehealth between the period in which the trust implemented Oxevision and the present day. I expect the trust will receive at least two of these documents per year. As above, these may be referred to under other names. This is documents which detail Oxehealth usage of clear/salient video.

Answer: The Trust have not received any Salient Video Data Reports from Oxehealth in this period.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
