Request: Under the Freedom of Information Act 2000 I request the most recent snapshot you hold (ide-date: 1 November 2025 or latest available day). Please give one number per question (or “not held” + sign-post). If any figure is already sent to NHSE (SITREP / CHC dashboard), a copy of that row is perfect.

Question 1: Complex Physical Healthcare packages
How many adult Continuing Healthcare (CHC) or jointly-funded packages are currently live where the primary need is recorded as complex physical (not mental health / LDA)?

Answer: In Newham- we currently have two patients on our Complex Physical Healthcare packages.

In Tower Hamlets - we currently have 73 patients on our Complex Physical Healthcare packages.

In Bedfordshire & Luton and City & Hackney - No such services.

Question 2: >4-week allocation delays Of the packages in Q3, how many have waited >28 calendar days from “fully funded” date to “provider accepted & started care”?

Answer: Zero patients.

Question 3: Bed-blocking / delayed discharge
Latest daily average (or total bed-days last month) where the primary reason is “awaiting community care package” (acute + community beds).

Answer: Currently one patient has a delayed discharge – due to awaiting a package of care. Please note this data is for community provided beds in Newham only, the Trust does not have an equivalent ward in Tower Hamlets.

Question 4: Patients stuck in hospital
On the snapshot date, how many in-patients are medically fit (“No Criteria to Reside”) but delayed solely because no community package is available?

Clarification: By snapshot date - the latest data you have available.

Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust does not record the information requested as this sits with acute care providers. The Trust is therefore unable to provide a response.

Question 5: Tier 4 LDA waiting list (ICB only)
Current total number of patients waiting for a Tier 4 LDA bed commissioned by your ICB (CAMHS + adult secure).

Answer: The Trust has reviewed question 5 of your request for information under the Freedom of Information Act (FOI) 2000.
