Request:

I am writing to make a request for information under the Freedom of Information Act 2000. I am seeking information regarding the use of 3D printing / additive manufacturing in orthopaedic trauma within your Trust.

If any part of my request exceeds the appropriate cost or time limits, I would be grateful if you could advise me on how to refine the request in accordance with Section 16 of the Act.

Please provide any recorded information you hold for the period 1 December 2015 – 1 December 2025, where applicable.

Question 1: FOI Question 1 – Case Numbers

Please provide the total number of orthopaedic trauma cases in which 3D printing was used at your Trust between 1st December 2015 and 1st December 2025, along with an annual breakdown of these cases.

Answer The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide 3D printing services. The Trust is therefore unable to provide a response.

Question 2: FOI Question 2 – Patient Demographics

For the cases identified above, please provide the number of patients by recorded gender (male, female, other) and the number of paediatric patients (<18 years), where recorded.

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(c) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(d) if that is the case, to have that information communicated to them

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide 3D printing services. The Trust is therefore unable to provide a response.

Question 3: FOI Question 3 – Patient-Specific vs Generic 3D Printing

Please confirm whether your Trust currently uses 3D printing for:

- a) patient-specific models, and**
- b) generic or reusable surgical tools or guides, and**
- c) implants (temporary or permanent)**

Answer: The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(e) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(f) if that is the case, to have that information communicated to them

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide 3D printing services. The Trust is therefore unable to provide a response.

Question 4: FOI Question 4 – In-House Workflow
For any 3D printing performed in-house, please indicate which stages of the workflow are carried out internally (Imaging, Segmentation, Design, Manufacture, Quality Control, Operation), according to any recorded Standard Operating Procedures or workflow documentation.

Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(g) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(h) if that is the case, to have that information communicated to them

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide 3D printing services. The Trust is therefore unable to provide a response.

Question 5: FOI Question 5 – Imaging Modalities
Please list the imaging modalities used for 3D printing cases (CT, MRI, X-ray), including the approximate usage rate per case where available.

Answer: The Trust has reviewed question 5 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(i) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(j) if that is the case, to have that information communicated to them

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide 3D printing services. The Trust is therefore unable to provide a response.
