**Request:**

**Question 1:** I would like to submit an FOI request for the amount of human albumin in grams purchased by the East London NHS Foundation Trust in 2024 and 2025 (the entire calendar year),

- a) Broken down by manufacturer (Bio Products Laboratory, Grifols, Biotest, CSL Behring, Octapharma, Takeda),
- b) By concentration (4.5%, 5%, 20%) and
- c) By service ordering albumin (ICU, Liver unit, etc.)

**Answer:** The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not purchase human albumin as described in this request. The Trust is therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
