### Bringing OT Into Schools

#### Meet your Hub Team!

Look out for Angel, Melissa, Glenda, Michelle and Peju in your schools! We are very happy to help.

A big shout-out to the schools that completed the Fun with Food and Get Set for Learning training in the Autumn term— **Tollgate Primary School and Drew Primary School**. It's wonderful to see more schools showing interest too. Let's continue working together to create sensory-friendly environments and support our children in exploring different foods in a fun and playful way!

Thank you to **Ravenscroft Primary School** for hosting our KS1 parent coaching sessions, we really appreciate the collaboration.

Thank you to all the schools that have invited us for Parent Coffee Mornings, we appreciate sharing our tips with you all.

It has also been great to carry out observations at JFK schools within our hub areas. The staff have been so welcoming, and we look forward to continuing to work in partnership.
