Request:

Question 1: Does the Trust currently share documents to a Shared Care Record? If yes, which Shared Care Record?

Answer: No, the Trust inputs to two shared care records, HIE for NEL and the shared care record for BLMK but it does not upload documents to either

Question 2: If you are sharing documents to a Shared Care Record - what applications are used to provide the documents?

Answer: Not Applicable

Question 3: Do you share all documents with the Shared Care Record, or a subset? If a subset can you advise what the key documents are that are ingested into the shared care record?

Answer: Not Applicable

Question 4: Is there an information sharing agreement in place that covers all document sharing scenarios and use cases with the Shared Care Record, or is Information Governance approval required to increase the scope of what is shared each time?

Answer: There are generic ICS wide ISAs but the Trust does not share documents to the shared care record

Question 5: Please give details of your use cases for the Shared Care Record. For example, which documents do you share?

Answer: Not Applicable

Question 6: How many other health organisations share information with your shared care record?

Answer: Not Applicable

Question 7: Do you pay an annual subscription or a one-off fee to support document sharing into the shared care record?

Answer: Not Applicable

Question 8: When does your existing Shared Care Record contract come to an end

Answer: Not Applicable

Question 9: If you are only sharing a subset of documents, are you planning to extend this subset to provide additional document access?

Answer: Not Applicable

**Question 10: Are you able to view documents from other healthcare providers via a Shared Care Record?
a) If so, which document types can you view?**

Answer: Discharge summaries from acute trust organisations only
