Request:

Question 1: In the period 1st October 2025 to 31st December 2025 please provide a breakdown of:

- **Total trust spend with framework agencies for locum nurses**

Please provide a further breakdown for locum nurses by:

- **Spend per band**
- **Spend per specialty**
- **Spend per agency name**

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not currently maintain or have access to a centralised and consistently reliable record indicating whether individual bookings were made under a framework agreement. This is further complicated by the existence of multiple frameworks, each allowing for different booking arrangements. Agencies may have been on a framework at the time of booking but subsequently left, or may have joined a framework after the booking occurred. Given these factors, the Trust is unable to confirm the framework status of specific historical bookings.

Section 16(1) of the Freedom of Information Act 2000 states:

Section 16 (1) It shall be the duty of a public authority to provide advice and assistance, so far as it would be reasonable to expect the authority to do so, to persons who propose to make, or have made, requests for information to it.

Under Section 16 of the Freedom of Information Act, the Trust has a duty to provide a reasonable level of advice and assistance. As such, the Trust can disclose the following information to assist you with your request.

As such the Trust can provide data for the last 30 days or the total expenditure without being broken down by on/off framework. If this is helpful then please submit a new request outlining your refined requirements.

Question 2: In the period 1st October 2025 to 31st December 2025 please provide a breakdown of:

- **Total trust spend with off framework agencies for locum nurses**

Please provide a further breakdown for locum nurses by:

- **Spend per band**
- **Spend per specialty**
- **Spend per agency name**
