Request:

Question 1: In the period 1st November 2025 to 31st January 2026 please provide a breakdown of:

- Total trust spend with framework agencies for locum doctors

Please provide a further breakdown for locum doctors by:

- Spend per grade
- Spend per specialty
- Spend per agency name

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not currently maintain or have access to a centralised and consistently reliable record indicating whether individual bookings were made under a framework agreement. This is further complicated by the existence of multiple frameworks, each allowing for different booking arrangements. Agencies may have been on a framework at the time of booking but subsequently left, or may have joined a framework after the booking occurred. Given these factors, the Trust is unable to confirm the framework status of specific historical bookings.

Section 16(1) of the Freedom of Information Act 2000 states:

Section 16 (1) It shall be the duty of a public authority to provide advice and assistance, so far as it would be reasonable to expect the authority to do so, to persons who propose to make, or have made, requests for information to it.

Under Section 16 of the Freedom of Information Act, the Trust has a duty to provide a reasonable level of advice and assistance. As such, the Trust can disclose the following information to assist you with your request.

As such the Trust can provide data for the last 30 days or the total expenditure without being broken down by on/off framework. If this is helpful then please submit a new request outlining your refined requirements.

Question 2: In the period 1st November 2025 to 31st January 2026 please provide a breakdown of:

- Total trust spend with off-framework agencies for locums doctors

Please provide a further breakdown for locum doctors by:

- Spend per grade
- Spend per specialty
- Spend per agency name

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

Question 3: In the period 1st November 2025 to 31st January 2026 please provide a breakdown of:

- **Total trust spend with the internal trust bank or associated external provider for locum doctors**

Please provide a further breakdown for locum doctors by:

- **Spend per grade**
- **Spend per specialty**
- **Spend per internal or associated external provider**

Answer:

Grade	Spend (£)
Bank General Practitioner	59,471.28
Bank Other Medical Staff	905,732.76
Bank Specialty Doctor	260,731.84
Consultant - Bank	234,213.12
Specialist Registrar Bank	570,634.20

The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—
(a) *to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust does not record spend per specialty due to the structure of each service. Additionally, the Trust does not use an internal or associated external provider for any locum doctors provided by the Trust bank. The Trust is therefore unable to provide a response.

Question 4: Please confirm your allocated budget for agency locum doctors for the period 1st November 2025 to 31st January 2026

Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not set budgets for agency staff. If there is a vacancy which cannot be filled by bank staff, then agency staff are assigned to the post. The Trust is therefore unable to provide a response.

Question 5: Please confirm the name of the framework used for the supply of locum doctors in your trust.

Answer: The Trust uses the RM6281 framework.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
