**Request: Criteria. Radiology departments who undertake axillary imaging**

**Background. To assess who undertakes axillary ultrasound and MRI scans**

**Question 1: Do you perform axillary ultrasound scans?**

**Answer:** The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide ultrasound services nor have a radiology department. The Trust is therefore unable to provide a response.

**Question 2: Are the ultrasound scans performed within Radiology or the Breast service?**

**Answer:** The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide ultrasound services nor have a radiology department. The Trust is therefore unable to provide a response.

**Question 3: If the ultrasound scans are performed within Radiology, who does them?**

**Answer:** The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide ultrasound services nor have a radiology department. The Trust is therefore unable to provide a response.

**Question 4: How are primary care referrals vetted for axillary ultrasound?**

**Answer:** The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

We promise to work together creatively to: learn  
'what matters' to everyone, achieve a better quality  
of life and continuously improve our services.
