Request:

Question 1: Has your NHS Trust purchased orthopaedic robots between the 1st January 2018 and 31st December 2025? If so, how many, in which financial quarter (Q1 April – June, Q2 July - Sept, Q3 October – Dec, Q4 Jan – March) and which brands and models were they?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide orthopaedic surgical services. The Trust is therefore unable to provide a response.

Question 2: How much money has your NHS Trust spent on orthopaedic robots purchased between the dates 1st January 2018 and 31st December 2025? Please break-down by financial quarter.
