Request:

Question 1: Please provide details of all the occasions on which wards, departments or services at hospitals and other sites operated by your trust have been temporarily or permanently closed due to flooding caused by external weather events e.g. heavy rainfall, river flooding etc., over the period 2021/22 to 2025/26.

Specifically, please provide the following information in a spreadsheet format:

- Site name (e.g. hospital)
- Name of ward/department/service that was affected
- Length of closure
- Dates of closure

I realise that the 2025/26 data will be incomplete, but please provide information for 2026 up to 24 February, when this request was sent.

Answer: None of the Trust's sites have been temporarily or permanently closed due to flooding caused by external weather events.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
