Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not currently maintain or have access to a centralised and consistently reliable record indicating whether individual bookings were made under a framework agreement. This is further complicated by the existence of multiple frameworks, each allowing for different booking arrangements. Agencies may have been on a framework at the time of booking but subsequently left, or may have joined a framework after the booking occurred. Given these factors, the Trust is unable to confirm the framework status of specific historical bookings.

Section 16(1) of the Freedom of Information Act 2000 states:

Section 16 (1) It shall be the duty of a public authority to provide advice and assistance, so far as it would be reasonable to expect the authority to do so, to persons who propose to make, or have made, requests for information to it.

Under Section 16 of the Freedom of Information Act, the Trust has a duty to provide a reasonable level of advice and assistance. As such, the Trust can disclose the following information to assist you with your request.

As such the Trust can provide data for the last 30 days without being broken down by on/off framework. If this is helpful then please submit a new request outlining your refined requirements.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive

Question 5: Which wards and departments are utilising off contract agencies on lines of work or block bookings? Please provide data from November 2025, December 2025- first week of January 2026 if possible (please use this same time frame for all questions)

Answer: None

Question 6: Which off Framework suppliers are currently supplying your Trust with agency nurses? By Off framework we mean any provider that is not listed under HTE/TWS or the workforce alliance framework (nursing lots). Please provide data from November 2025, December 2025- first week of January 2026 if possible (please use this same time frame for all questions)
