Request:

Question 1: Please provide the Trust's current standard locum doctor hourly rates for the financial year 2025/26, or the most recent rates currently in effect if no 2025/26 rates are held.

For the purposes of this request, I am seeking the Trust's standard internal bank, staff bank, NHS Professionals, collaborative bank, or equivalent Trust locum rate card or schedule of rates. If rates vary by hospital site, specialty, department, or escalation status, please provide the standard default rate and indicate where variation applies. I am not seeking individual payroll records or personal data.

To reduce administrative burden, I am not asking the Trust to create new calculations or undertake analysis; I am requesting the recorded rate card, schedule, policy, or closest held information from which these rates are normally applied.

Please provide the rates for the following grade levels, where applicable:

- FY1 / Foundation Year 1
- FY2 / Foundation Year 2
- ST1-2 / CT1-2 / equivalent SHO-level grade
- ST3-5 / equivalent registrar-level grade
- ST6-8 / senior registrar-level grade

For each grade, please provide the hourly rate in GBP and the time window during which the rate applies for each of the following shift categories:

1. Weekday day
2. Weekday evening
3. Weekday night
4. Weekend day
5. Weekend evening
6. Weekend night

Where possible, I would be grateful if the information could be provided in the following column structure:

Trust | Grade | Shift category | Hourly rate (£/hr) | Time window | Notes

If the Trust uses a rate card, spreadsheet, policy document, or schedule of rates containing the equivalent information, I would be happy to receive that document as an attachment instead.

If any grade level or shift category is not used by the Trust, please indicate this as "not applicable" or "not held", as appropriate.

Answer: Please see below the rate card used by the Trust

Grade	Social (£)	Unsocial (£)	
		Resident	Non-resident
Foundation Year 1	36.94	39.55	39.55
Core Training (CT) / ST 1-2	43.33	60.52	60.52
Specialty Training (ST3+)	60	60.52	43.17
Specialty Doctor/staff grade	60	60.52	43.17
SAS	60	60	60
