12th June 2026

Our reference: FOI DA6636

We are responding to your request for information received 2nd June 2026. This has been treated as a request under the Freedom of Information Act 2000.

We are now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact us on the contact details above if you have any further queries.

Yours sincerely,

FOI Team

If you are dissatisfied with the Trust's response to your FOIA request then you should contact us and we will arrange for an internal review of this decision.

If you remain dissatisfied with the decision following our response to your complaint, you may write to the Information Commissioner for a decision under Section 50 of the Freedom of Information Act 2000. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

Tel: 0303 123 1113
Web: www.ico.org.uk

Please note that the data supplied is not allowed to be re-used and/or published without the explicit consent of East London NHS Foundation Trust. Please contact the signatory to request permission if this is your intention

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive Officer: Lorraine Sunduza
Chair: Eileen Taylor

Request:

Question 1: Section 1: Current Setup & Suppliers

Who is your current contracted supplier(s) for sleep diagnostic equipment (e.g. polysomnography systems, home sleep testing devices), and when does this contract expire?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 2: Section 1: Current Setup & Suppliers

What is the make and model of the primary sleep diagnostic equipment currently in use across your sleep service?

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 3: Section 1: Current Setup & Suppliers

Was the current contract procured via a framework agreement (e.g. NHS Supply Chain, Crown Commercial Service)? If so, please confirm which framework.

Answer: The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 4: Section 2: Expenditure

What was the total expenditure on sleep diagnostic equipment and associated consumables in the financial years 2022/23 and 2023/24?

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive Officer: Lorraine Sunduza
Chair: Eileen Taylor

Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 5: Section 3: Activity, Demand & Community Diagnostic Centres
How many sleep studies were performed in 2023/24, broken down by: (a) in-laboratory polysomnography, and (b) home/ambulatory sleep testing?

Answer: The Trust has reviewed question 5 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 6: Section 3: Activity, Demand & Community Diagnostic Centres
What is the current waiting time (in weeks) for a sleep diagnostic assessment, and what is the current size of the waiting list?

Answer The Trust has reviewed question 6 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 7: Section 3: Activity, Demand & Community Diagnostic Centres
Does the Trust currently operate a Community Diagnostic Centre (CDC)? If so, does it include sleep diagnostic services?

Answer The Trust has reviewed question 7 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:
Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive Officer: Lorraine Sunduza
Chair: Eileen Taylor

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 8: Section 3: Activity, Demand & Community Diagnostic Centres
Is the Trust planning to expand sleep diagnostic capacity into a CDC within the next 24 months?

Answer The Trust has reviewed question 8 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 9: Section 4: Growth & Future Planning
Has the Trust received any ringfenced capital or transformation funding specifically for sleep diagnostics or CDC development in the last two financial years? If so, please confirm the amount and source.

Answer The Trust has reviewed question 9 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.

Question 10: Section 4: Growth & Future Planning
Does the Trust hold a recorded demand forecast or service development plan for sleep diagnostics for the period 2024–2027?

Answer The Trust has reviewed question 10 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide sleep diagnosis services. The Trust is therefore unable to provide a response.
