Question 1: Current Stock and Usage

- What is the current stock level of surgical stapling products held by your Trust? Please break down by product type where possible (e.g. linear staplers, circular staplers, reloads/cartridges, skin staplers).
- What is your Trust's monthly usage or consumption of surgical stapling products by volume since May 2025 to present?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not use surgical stapling products. The Trust is therefore unable to provide a response.

Question 2: Supply Disruption

- Has the supply disruption resulted in any procedures being delayed, cancelled, or modified? If yes, please provide the number of affected procedures by month from January 2023 to the present.
- Has your Trust raised any formal incident reports internally or with NHS England/NHS Supply Chain as a result of this supply issue? If yes, how many in the past 12 months?
