Request:

Question 1: If the FDP is currently live at your trust and you are using any of the following four apps:

Referral to Treatment (RTT) validation tool Inpatient Care co-ordination solution (Inpatient CSS) tool Outpatient Care co-ordination solution (outpatient CSS) tool Patient Led Validation (PLV) tool

a) Please can you provide the total number of waiting list removals, removed using or as a result of using these apps, per app in the last 12 months.

b) Please can you provide a breakdown of total removals related to each app by Index of Multiple Deprivation quintile? Please can these be presented as counts and percentages (e.g. 20% of removals fell into IMD1).

c) Please can you give a breakdown of total removals related to each app by age group. Suggested age brackets are <18, 18-25, 26-34, 35-49, 50-65, >65,- Please can these figures be presented as counts and percentages.

d) Please can you give a break down of total removals related to each app by sex. Please can these figures be presented as counts and percentages.

e) In regards to the patients who were removed from waiting lists referenced in part a), how many were re-referred to the waiting list they were removed from within one month? Please can these figures be presented as counts and percentages.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not use the FDP and is therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
