Request: I am writing to make a formal request for information under the Freedom of Information Act 2000. Please provide answers to the following questions regarding the Trust's digital systems, clinical safety leadership, and governance structures.

Question 1: Digital Medicines Strategy and Leadership
1. Does the Trust have an active or approved Digital Medicines Strategy (or a dedicated digital prescribing/ePrescribing implementation strategy)? If yes, please provide a copy or the publication date and timeframe of the strategy

Answer: We do not have a digital medicines strategy in place.

Question 2: Is the Chief Clinical Information Officer (CCIO), Chief Digital Officer (CDO), or a designated Digital Clinical Safety Officer/Informatic Officer actively involved in the implementation and clinical governance of this strategy?

Governance and Executive Accountability

Answer: Not Applicable.

Question 3: Is the delivery of the Digital Medicines Strategy directly accountable to the Trust's Executive Board, the Trust Chair, or a specific sub-committee of the Board? Please specify the governing body responsible for final oversight.

Answer: Not Applicable.

Question 4: How frequently is formal progress, feedback, or risk assurance regarding this strategy provided to the Executive Board (e.g., monthly, quarterly, bi-annually)?

Answer: Not Applicable.

Question 5: What is the designated timeframe and key milestones for the completion or delivery of this digital strategy?

Answer: Not Applicable.

Question 6: Which specific executive or management post-holder (by job title, not individual name) is ultimately held accountable to the Board if there is a failure to deliver the strategy or its safety milestones?

Answer: Not Applicable.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive
