Answer: In the period 06/08/2025 - 06/08/2026, the following is the number of patients with Schizophrenia the Trust have treated in each of the listed teams:

- Early Intervention team- 57 patients
- Acute services- not applicable
- Community Mental Health team- 1170 patients

Question 3: In the last 3 months (of data), how many patients with Schizophrenia were treated with each of the following antipsychotic medications

- Risperidone
- Olanzapine
- Quetiapine
- Aripiprazole
- Amisulpride
- Lurasidone
- Paliperidone
- Cariprazine
- Clozapine
- Other treatment

Answer: The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record or store data linking therapeutic indications to prescribed medicines. The Trust is therefore unable to provide a response.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.

- d. Aripiprazole
- e. Amisulpride
- f. Lurasidone
- g. Paliperidone
- h. Cariprazine
- i. Clozapine
- j. Other treatment

Answer: The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record or store data linking therapeutic indications to prescribed medicines. The Trust is therefore unable to provide a response.

Question 5: In the last 12 months (of data), how many patients with Schizophrenia were discharged to primary care from each of the following services?

- a. Early Intervention Psychosis service team
