Request: I am requesting information regarding property guardianship in buildings owned or managed by the trust in the last calendar year, from 1st January to 31st December 2025.

Specifically, please can you provide data, where available, on the following in an electronic format such as an Excel spreadsheet. In each case, please break down the provided figures according to the prior uses of properties (residential, commercial or civic) if such data is available:

Question 1: How many buildings owned or managed by the trust were occupied by property guardians in total in this period?

a. How many of those buildings were formerly used for residential, commercial or civic purposes?

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record the information requested as we do not use property guardians. The Trust is therefore unable to provide a response.
