Request: I am writing to you on September 1 2026, under the Freedom of Information Act 2000. Please may you provide me with:

Question 1: The amount of income generated from phone charging stations and power bank rentals available on the Trust's sites. I would like these figures broken down by the last three financial years (2023/24, 2024/25, and 2025/26).

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not hold the information requested, as the Trust does not provide phone charging stations or power bank rental services. The Trust is unable to provide the information requested.

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive
