

PARENT'S EXPERIENCE OF THEIR CHILD'S **AUTISM** ★ **DIAGNOSIS**

HELP US IMPROVE

We are inviting parents and carers to take part in a service improvement project exploring experiences of receiving their child's autism diagnosis at CHAND.

Receiving a diagnosis can be a significant and emotional process and we want to improve this experience for families.

Taking part involves a 1:1 interview. This can be done in person or online, depending on your preference.

WHO IS THIS FOR?

Have you received an autism diagnosis for your child through CHAND?

Would you like to talk about your experience of receiving the diagnosis?
