Audit Completion Certificate issued to the Council of Governors of East London NHS Foundation Trust for the year ended 31 March 2026

In our auditor's report dated 25th June 2026, we explained that we were not able to conclude our audit as we had not received confirmation from the National Audit Office that the group audit of the Department of Health and Social Care had been completed and that no further work was required to be completed by us.

This work has now been completed.
