Loss of LEAP member

The ERA team are sorry to share the sad news that our LEAP Co-Chair, Narinder Behal passed away suddenly earlier this month. Members of the LEAP attended the funeral, along with music therapist Donald Wetherick. We would like to acknowledge the warmth, dedication and support Narinder brought to ERA and wider arts therapies in the Trust.

Recruitment

All the ERA study sites are open to recruitment! Our researchers are actively meeting with people in East London, Bedford and Bath who want to take part in a group therapy. If you have anyone in mind who you would like to refer please contact a member of the research team.

Lived Experience Advisory Panel (LEAP)

The ERA LEAP met earlier this month to discuss progress of the project to date and future plans. Members were able to provide helpful insights and suggestions on how to boost recruitment, how to improve accessibility how best to share our findings.

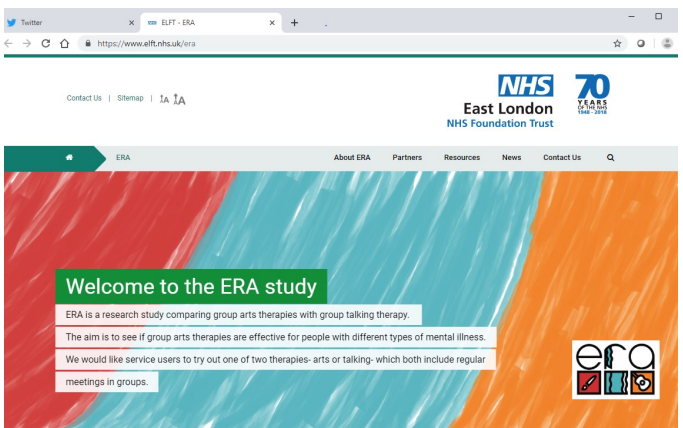

ERA Website Now Live!

The ERA website has now been launched! Visit <https://www.elft.nhs.uk/era> for more information, updates and additional resources about the project.

Join the ERA team!

We are currently advertising for a full-time ERA researcher to cover our Bedford site and a part-time researcher for London. For more information please get in touch.
